

# MANUKA HEALING CREAM

NEW ZEALAND  
ACTIVE MANUKA HONEY 12+  
23 ORGANIC BOTANICALS

a natural and organic botanical  
skin repair and skin protectant

Manuka has been found to have higher therapeutic properties than other varieties of honey. In fact, According to a 2013 review in the *Journal of Cosmetic Dermatology*, Manuka honey has been used non-medicinally to support a number of skin applications.

**Manuka Healing Cream** is blended with soothing and nourishing organic botanicals such as aloe fillet gel, carrot and pumpkin to help protect and soothe skin by providing both vitamins, antioxidants and anti-bacterial properties.

Our unique formula blends 23 botanical ingredients that provide unique and diverse functions for those in need of healthier skin.

# MANUKA HEALING CREAM

## HOW TO APPLY:

**Skin:** Place a small amount in the palm of the hand and apply directly to affected skin areas. Safe for use after breastfeeding.

**Hair:** Place a small amount of cream in the palm of the hand and rub both hands together lightly coating your fingers and palm with cream. Run hands through dry damaged hair until you achieve desired smoothing. Can style as usual, or apply a heavier coating for overnight nourishment. Use cream lightly so hair does not appear greasy. Use as often as needed.

### CARING NOTE:

Wash hands after use. Keep away from eyes. Not for consumption. This product is not a sunscreen. But recommended for after the sun care.
